I am a recent graduate driven by an unwavering desire to advance professionally. I am passionate about starting a career in a fast-paced, high-energy corporate setting. I'm eager to share my abilities, wisdom, and creative ideas.

🎓 Education

B.Tech. (Electronic and Communication Engineering), Gyan Ganga Institute Of Technology And Science, Jabalpur

2019 – 2023

CGPA : 8.0/10

Senior Secondary (Class XII), Maharashtra High School, Jabalpur

2019

📁 Projects

Password Generator

With just one click, we can create passwords using that Random Password Generator. We have four possibilities from which to choose, including uppercase, lowercase, numerals, and symbols. Additionally, we have the option of selecting the password's length. It can show the strength of the password through the dots.

Web Technologies used: JavaScript, HTML, CSS
