## PROFESSIONAL EXPERIENCE

### Business Development Intern

PharmaWiz | March 2023 - Present

- Working for a startup gives you a clear understanding of how a business develops in its early stages and gives you the opportunity to learn about the complete range of work, including lead management and operations. I was working to handle the social media accounts in addition to beginning to teach soft skills to pharma students

### Event Manager and Content Writer

Peaks Academy | January 2022 - June 2022

- I gained confidence while working as an event manager. I was terrified of public speaking, but I made a stand and started speaking at events, which helped me overcome my fear. I taught my co-workers how to use LinkedIn and pushed them to use it

### HR Executive

Tutedude - | April 2021 - May 2021

- Worked as a HR Executive to manage proper customer connection and communicate with individuals in LinkedIn

## PROJECT

Risk and Return analysis of Companies under NSE in FMCG sector

- The project describes the risk and return analysis it has taken the top 10 FMCG companies in India and the research that was taken from secondary data where it gives suggestions to investors about which companies are doing the best in the market. I have calculated the correlation beta and return of these companies.
